

## This is your personal invitation to download the BRAND NEW CoxHealth Foundation Mobile App!

This app is for you to be able to access great **DISCOUNTS** and **SPECIAL OFFERS** from local businesses and attractions. It will also include information on special events hosted by the CoxHealth Foundation.

### Want to know how to get your Mobile App?

To access, scan the bar codes below or go to your App store and **search CoxHealth Foundation**. Once you have downloaded the **FREE** application, **your code is: CoxHealth2013**. These discounts are for CoxHealth employees only. Please be prepared to show your badge to redeem many of these offers.

### Don't have a smart phone?

You can always access these discounts and offers at our website: [www.coxhealthfoundation.com](http://www.coxhealthfoundation.com) under the Community Partners tab or on the home page of the CoxHealth IntraWeb under the Community Partners heading.

### Why a Mobile App?

Right now you can only access this information while at your PC at work. We hope this will provide convenience to you at any time when you are out and about looking for discounts on restaurants, car services, banking information, Branson attractions and so much more! It is our hope to help make your dollar go further!

### Why support these businesses?

Each vendor who offers a discount pays for the privilege to advertise and offer these benefits to you. The proceeds from their participation in the Mobile App are divided between the Cox Family Assistance-Employee Crisis Fund and the Good Samaritan Fund. We're helping our co-workers and our patients thanks to the App!

## CoxHealth Foundation SMART PHONE APP
