

2012 Annual Report

CoxHEALTH FOUNDATION

The CoxHealth Foundation... An Investment in Caring

The staff of CoxHealth Foundation: Lisa Alexander, Marci Early, Laurie Soulsby and Keith Morris.

Your Impact Statement: 2012

I'm not quite sure how to describe 2012. Many people still suffered financial hardship, and yet donations arrived daily. The uncertainty of the political scene in the first 11 months of the year was compounded by the fiscal cliff in the last month of 2012. Despite so many economic challenges and those that arise from life in general, our donors did not waiver in their commitment to serving community health through the CoxHealth Foundation.

I often wonder if what drives people to donate to health care is the fact that they personally place great value in their own good health. In fiscal 2012 CoxHealth saw:

- 33,592 ambulance transports
- 41,179 hospital admissions
- 149,451 visits to the ER's
- 729,699 physician clinic visits and
- 28,787 surgeries

Simply stated; people get sick. When they do there is nothing more important than their doctor and hospital and the knowledge that both will deliver outstanding care to them or the ones they love. Since the inception of CoxHealth, our donors have contributed to every aspect of the medical care provided inside our facilities. In 2012 this is how our donors directed their gifts to affect our community's health:

- \$467,430.76 provided education for patients
- \$669,798.65 was invested in facilities and technologies
- \$400,496.12 in grant distributions for funded projects
- \$211,578.25 offered in scholarships for nurses and health professions
- \$401,931.49 went directly to patient's medical expenses, medications, therapies and other needs that are not funded through insurance or federal/state programs.

For more information or to contact the CoxHealth Foundation in regards to a gift, creating a fund, recognizing a physician or staff member or to include us in your estate plan, please email us at: lisa.alexander@coxhealth.com or call 417-269-7150.

Thank You to our Board of Volunteers

The CoxHealth Foundation wishes to recognize and thank our volunteer board of directors for their service:

CoxHealth employees also benefited from the Foundation through the Cox Family Assistance Fund. This is an employee supported crisis fund that gifted \$23,734.11 to 43 co-workers in 2012.

This past year scholarship dollars to train health professionals came more into the forefront as the concern over a health care professions shortage appears evident by 2014. This is when the baby boomer generation becomes Medicare-aged and an anticipated 32 million more Americans will have health care coverage. This according to a report from the Missouri Foundation for Health. Compound that with the fact that Missouri has fewer physicians per 100,000 population than the U.S. as a whole and it appears a valuable use of dollars to provide scholarships for nurses, health professionals and the Family Medicine Residency, a training program for family practice physicians located at Cox North.

It is not lost on our donors that many of the resources their gifts help provide, are often the only resource a patient can access. By example:

- The Colorectal Cancer Prevention Fund is the only known community resource that provides free colonoscopies for those who cannot afford them.
- The Hulston Cancer Center has not found any other agency that gives cancer patients free nutritional supplements. \$13,338 in supplements were gifted in 2012 through the Cancer Services Fund.
- The Diabetes Education Fund is the only fund in the region that pays for the education diabetics require after diagnosis.

It is the goal of the CoxHealth Foundation to continue to identify what gives our patients every opportunity to be healthy. It is our donors who allow us to realize this goal. For this reason, our desire is to make sure all donors understand how much your kindness, compassion AND generosity is appreciated and impacts those it serves.

Perhaps the best way to share this is through the words of patients who have sent their thanks to us by letter, email or by walking through our office doors to share their expressions of gratitude. These words are for YOU, our donors:

Dan and Lisa Mathew, recipients of a Good Samaritan Fund grant:

"Even though Dan suffers complications from cancer and still has surgery and much ahead of him, we can think of many things of which to be thankful. You are a part of that list. God bless those who made it possible."

Melody Morance, recipient of a Rehab Fund grant:

"I know that I will walk again thanks to your help. I had no way to get rehab until the case worker told me about the Foundation. The first steps are in honor of your gift to me."

Carolina Later, recipient of a Bethlehem Fund grant:

"All I ever wanted was a child. Now thanks to your help and the medications you bought for me to help him arrive safely, I'm holding him in my arms. Thank you, thank you to the CoxHealth Foundation, my doctors and anyone who helped."

Whether you contributed to a campaign, through a memorial, special event or made a newsletter gift, please know that every dollar impacts another person in their journey back to good health. On behalf of CoxHealth, the CoxHealth Foundation and all those we serve, thank you for your support in 2012.

Wishing good health to you and yours,

Lisa Alexander

The spa experiences were a popular part of the 2012 Food For A Woman's Heart luncheon.

Gary Grove of Grove Pharmacy and Spa offers his support to two of the women who have overcome heart disease at the 2012 Food For A Woman's Heart lunch. Grove Spa sponsored the event.

The CoxHealth Foundation is honored to be a recipient of a grant from the Greene County Senior Services Tax Fund to improve the lives of the seniors CHF serves.

More than 800 women took to the streets for the annual "Girls Just Wanna Run" 5k at Phelps Grove Park in July.

Rick Hughlett of Rick's Automotive sponsored the 2012 Girls Just Wanna Run 5k and brought a big crew of volunteers to help make the day a great success.

Girls of all ages participate in the annual "Girls Just Wanna Run" to support wellness scholarships.

Information, education, shopping and FOOD are all a part of the "Girls Just Wanna Run" Expo. GiGi's Cupcakes provided treats for all the ladies.

These ladies ran the Rundie for the Colorectal Cancer Prevention Fund to honor their father who is fighting the disease.

The first annual "Rundie" to support the Colorectal Cancer Prevention Fund had over 250 people running in their undies for the cause!

There were lots of great colorectal cancer prevention messages on the underwear worn at the first annual "Rundie" 5k!

The CoxHealth Foundation purchased two new motorized wheelchairs in 2012 to help safely transport patients, family and visitors at Cox South Hospital.

Looking Ahead 2013 Tax Advantages

The American Taxpayer Relief Act enacted in January of this year extends a specific benefit to taxpayers age 70 1/2 and older. This group can make up to \$100,000 in direct charitable contributions from their IRA distribution with the following advantages:

- The rollover amount is removed from the taxpayer's estate.
- The charitable distribution is not included in adjusted gross income (AGI), so it makes it less likely that the donor will be affected by unfavorable AGI-based computations, such as:
 - Potential increases to the amount of taxable social security benefits
 - Medical expenses that are only deducted over a certain percentage of AGI
 - Phase out of itemized deductions for high income taxpayers
 - Phase out of personal exemptions
- It may help the donor avoid a high-income surcharge for Medicare Part B and Part D premiums that kick in if AGI is over certain levels.

For more information or to make an IRA distribution gift, contact the CoxHealth Foundation at 417-269-7150.

Save the Date: 2013 Special Events to Support Patient Care

Join us for one of these 2013 special events benefiting different patient service funds within the CoxHealth Foundation. Registration for events is found online at www.coxhealthfoundation.com.

- April 6:** **CRAP - Colo Rectal Awareness Party**, a dinner and casino night. \$500 a table; sponsorships available. Knights of Columbus, Diamond Room.
- July 19-20:** **Girls Just Wanna Run**, presented by Rick's Automotive, the best all ladies 5k event includes an expo at the Meyer Center on the 19th and race on the 20th at Phelps Grove Park. \$20 entry fee, group rates available.
- Sept. 18-19:** **Julian Golf Classic for ALS**. A four person pro-am held at Ledgestone in Branson. Morning tee off includes lunch and after party.
- Sept. 23:** **Boys Against Breast Cancer and Ozarks Women's Links** golf tourneys. Men tee off in the morning, ladies in the afternoon. Lunch and gift bags are included for all players. Four person scramble: \$600 a team.
- Oct. 26:** **RUNDIE**, a 5k run/walk that includes a free pair of boxers to decorate with your favorite prevention message. \$20 a person.

To learn more about any of our 31 patient service funds or scholarships available for health professions, see our Catalog of Funds online at www.coxhealthfoundation.com.

Don't forget you can donate a car, boat or RV to the CoxHealth Foundation through our **CARS for CHARITY** program. Simply call 1-800-274-5909 to arrange the pick-up of the vehicle and the clear title. There is no cost for pick-up even if the vehicle is not running. The net proceeds of the sale benefit the Good Samaritan Fund to help the CoxHealth Foundation provide medical grants to patients.
