YES, you know you have missed the most fun party in town. Well... it's BACK! Come join us for the most fun you can have talking about toilet paper, poo and fighting cancer. We are a silly night with a serious message. Your attendance can and will help us save lives and fight a preventable cancer.

Tables of 8 are available, attire is business/cocktail. Dress up, or down but we would love it if you wore brown. \$1,000 a table. Great food and outstanding entertainment.

All proceeds will help provide free colonoscopies for patients who need but cannot afford this important prevention test.

Your prompt reply is appreciated as tables sell out fast!

A special thank you to the Chairs of CRAP:

José Dominguez, MD
Charles Woodall, III, MD
Sanjay Havaladar, MD
John Trombold, MD

Shawn Usery, MD
Rakesh Hegde, MD
Megan Nicolas, MD
