The funds for assistance are made possible by donors to the CoxHealth Foundation. This program is for financial assistance for medical bills/patient care assistance at CoxHealth only.

☐ **I am applying for assistance with hospital charges.**

1. **Attach some form of proof of income**; examples are: tax return, pay stub, disability or Social Security letter etc. Please attach a minimum of one form **or** an explanation of why there is no data attached. Not including income information will result in a delay of the review of your application and possible denial of financial assistance. For In-Patient Hospital requests, case management review is required if no financial information is immediately available.
2. ***If you have no insurance you must first* complete the CoxHealth Financial Assistance Program**. Contact Financial Services at 417-269-0523 or 417-269-3117 for an application. This will assist in providing a DISCOUNT to you on your bills, up to 90%.
3. ***Please establish a* payment plan with CoxHealth Patient Financial Services** for the outstanding balance on your bills, showing you are working in good faith to do your part. If your bills are in collections at the time of review, you will be denied.

Note: Applications are reviewed monthly and you will be informed by letter if you are approved or denied. It may take several months from the time of application receipt to review based on the volume of applications received. Priority is given to those with an established payment plan.

☐ **I am applying for assistance with non-covered hospital/prescription/equipment/special needs.**

1. ***Attach some proof of income to the application and caseworker or physician office letter or form verifying your request. This form/letter should include the cost of what is requested and where it will be purchased.
