CoxHealth Employee Giving Program

We are not any ordinary organization. We are **CoxHealth**. A family that stands together, united in making a daily difference in our community. As employees – no matter our role – we play a part in getting people back on the road to being well again. We change lives, save lives and improve lives at CoxHealth. Whether adults or children, we also have a way to go the extra mile. The CoxHealth Foundation and Children’s Miracle Network Hospitals offer services and resources that are unique to CoxHealth. As an employee, you have the opportunity to join both the Foundation and CMN Hospitals in providing for our patient’s most important healthcare needs. Won’t you join us in being an **Employee Donor** and invest in improving a life today?

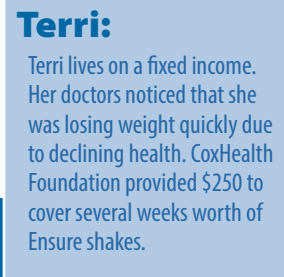

Margaret:

Margaret, a CoxHealth employee, fully supports her mom who has gall bladder cancer. CoxHealth Foundation gave \$1,000 to assist with medical expenses. (Margaret’s mom on left)

Lydia:

Lydia was born premature and spent her first 6 months in the hospital. She was diagnosed with Dandy Walker Malformation. CMN Hospitals helped with medical expenses.

Terri:

Terri lives on a fixed income. Her doctors noticed that she was losing weight quickly due to declining health. CoxHealth Foundation provided \$250 to cover several weeks worth of Ensure shakes.

Vicente:

Vicente was born with a condition known as brittle bone disease. CMN Hospitals has helped him cover therapy, travel to his doctor’s appointments, medical bills, and equipment expenses.

Becky:

Becky was diagnosed with Hodgkins Lymphoma in October of 2017. Even with insurance, medical bills piled up. CoxHealth Foundation paid \$500 towards her medical bills.

Mashyla:

Mashyla was involved in car accident in 2014 that left her paralyzed from the waist down. CMN Hospitals helped with medical equipment and supplies.
